**Venue: NIMHANS CONVENTION CENTRE, Bangalore**

Dear Professionals,

Karthik Ultrasound Scan Centre, Bangalore under the aegis of Mediscan, Chennai, & Medical Ultrasound Society of Karnataka (MUSK) is proud to announce **GNANADHARA 2016**, the 5th Edition of the Continuing Ultrasound Education (CUE) series.

The theme for this year's seminar is **"Fetal Medicine – Current Practices"**

*The highlights of this seminar are:*

- Foundations in Fetal Circulation
- Current understanding of Fetal Growth Restriction
- Basics of 3D/4D ultrasound as applied to Obstetric imaging through live demonstration
- Ultrasound imaging data management
- An introduction to new breed of Fetal Medicine specialists – their analysis of data gathered in their practice
- Role of MRI in fetal brain abnormalities
- A session on Hydrocephalus Management – in the endoscopic way
- Tips for diagnosis of & counselling for subtle abnormalities like ACC & TAPVC

On this occasion, the MediScan Alumni will be presenting the "Distinguished Teacher Award" to one of the internationally acclaimed pioneer in fetal imaging Dr. Boopathy Vijayaraghavan, of Sonoscan, Coimbatore.

We invite you to make the best use of this opportunity to equip yourselves with knowledge and information for informed decision making in your respective practices.
